- Lifetime Warranty Claim (*free*)
- Wear and Tear Replacement Claim (*\$99 + Shipping and Taxes*)
- Unsure, please evaluate

Before submitting a claim, confirm that you have checked the stereo/mono switch located on the headset cable. If the aircraft you are in does not support stereo sound, the switch should be set to mono.

ASA is not responsible for shipping cost back to the customer if the headset does not qualify for the lifetime warranty. The warranty applies to individual users only; the warranty does not apply when the headset is used in a fleet environment or rental capacity. For approved wear and tear replacement claims ASA will provide the customer with a voucher code to purchase the discounted headset through asa2fly.com. For complete warranty information please refer to asa2fly.com/hs1/warranty
